Sub: Online course in finance for SG/JAG officers of Indian Railways

Indian Railway Institute of Financial Management has conducted a few online courses in finance for SG/JAG officers with the aim of reiterating and imparting learning in essential precepts of financial management and capital budgeting. The courses have met with encouraging feedback from the participants. Based on the experience the institute proposes to hold its next online training module for the SG/JAG officers from 17th August to 28th August, 2020.

The proposed module will be conducted by holding classes only in the first half of the working day, from 10.00 hrs. to 13.00 hrs, leaving the officers free to perform their regular duties in the second half without undergoing physical displacement. You are requested to nominate five SG/JAG officers from your Railway to attend the course to make it a success.

You are kindly requested to send nominations for the proposed course through the link provided at our website www.irifm.org under “Webinars” or by email to irifm.reg@gmail.com by 14.08.2020.
